As a season ticket holder benefit, Rose Bowl season car parking is able to be requested for the 2020 UCLA Football season. RV parking is also available in Lots F, D and I. Parking requests are allocated according to, first, your Wooden Athletic Fund membership level, then your lifetime giving to Athletics and then your consecutive years as a season ticket holder. To qualify for donor parking you must complete your Wooden Athletic Fund contribution in full by June 1st. Due to the high demand there are no guarantees that you will receive the lot you request. If the lot you request is not available at your priority level you will be automatically allocated the next best available lot.
